Becoming a Certified SOT Practitioner (CSP)

Option 2

1. Complete the online program. You'll have access to the online course for 1 year after signup.

2. Attend one LIVE Review course, specifically designed for those who have COMPLETED the online course. This course is typically offered in the summer and fall.

3. Study your course notes, ask questions, use the technique, and study the SOT manual.

4. When you're ready, you're eligible to sit for the written and practical CSP examination. This examination is help annually at the SOTO-USA Symposium in the spring.
